Provides relative to reports required to be submitted to the legislature.

Current law provides that each agency shall provide one printed copy of reports to the presiding officer of each house of the legislature. Proposed legislation provides that each agency may send an electronic copy of a report to one or more members of the legislature.

Table with 7 columns: EXPENDITURES, 2010-11, 2011-12, 2012-13, 2013-14, 2014-15, 5 -YEAR TOTAL. Rows include State Gen. Fd., Agy. Self-Gen., Ded./Other, Federal Funds, Local Funds, and Annual Total. All values are \$0.

EXPENDITURE EXPLANATION

The proposed legislation may result in cost savings for various state agencies responsible for providing a printed copy of reports to the presiding officer of each house of the legislature. Cost savings will be realized from reduced printing and mailing costs based on the number of agencies that may elect to provided an electronic copy of a report. The cost savings can not be determined since it depends on the number of agencies that would elect to submit an electronic copy of a report, the number of reports that may be sent, and the cost associated with the printing and mailing of the reports. For illustrative purposes, the potential state impact is reflected above as state general fund (SGF) but may be funded with other means of finance.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
